

PREVNet's 10th Annual Conference

Co-sponsored by Western University's Centre for School Mental Health

Promoting Healthy Relationships for Youth

CREATING SPACES THAT SUPPORT EQUITY, DIVERSITY & INCLUSION

PREVNet

Choose from 12 strategy-focused workshops, including:

Promoting mental wellness and fostering resilience for Indigenous children, youth and their families

Strengthening resilience of newcomer children and youth in a school-setting

Promoting mental health and healthy relationships for LGBTQ+ youth

Promoting social norms that protect youth against teen dating violence

Reducing bias-based bullying for students who are perceived by their peers as different based on academic (dis)ability, ethnicity, and sexual/gender identity

Canada's premier conference on evidence-based strategies to prevent bullying and teen dating violence, and promote safe and healthy relationships for children and youth!

CONFERENCE OBJECTIVE

To ensure that all adults involved with children & youth (e.g., educators, school administrators and counsellors, public health nurses, mental health professionals, coaches, parents, volunteers) have evidence-based knowledge, strategies and tools to promote well-being and prevent violence.
