

French language edition of Bullying Prevention: What Parents Need to Know

PREVNet's popular handbook "Bullying Prevention: What Parents Need to Know" will now reach an even wider audience. A French edition, "La Prévention de l'Intimidation: Ce que les Parents Doivent Savoir" will be available by the end of November.

"Bullying Prevention: What Parents Need to Know" takes an authoritative research-based look at bullying and tells parents what they can do to prevent bullying at all age and school levels.
